

Product Certification Letter

Date: 10/31/2016

To Whom It May Concern:

This will serve to confirm that Pecora Corporation recommends the use of P-53-VOC Primer in conjunction with Pecora GC-2+ on elastomeric weather-tight seal for caulking joints in commercial and industrial projects.

Pecora sealants and waterproofing products are manufactured in the United States and meet the requirements for use as "Domestic End Products," as stated in the Buy American Act Title 41 USC 10.

The test for an item of domestic construction material has two parts:

1. It must be manufactured in the United States, and
2. The cost of the products domestic components must exceed 50 percent of the cost of all components.

Pecora P-53-VOC primer does not contain asbestos, PCB, or lead as part of its formulation.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Roy D. Cannon, Jr.', is positioned above the printed name.
